

Action Camp

Action Camp for Grades 6-8

Fill your summer with challenge and adventure at Action Camp, now offered for grades 6-8! Campers are constantly on the go, enjoying two weekly field trips, excursions to area water parks, and visits to Glencoe Beach for sailing lessons, swimming, and beach volleyball. Once per session, we'll spend a night camping at Glencoe Beach. On-site days at Watts Center include activities like nine holes of disc golf at the Watts Park course. New this year, on select days each session, camp extends into the evening for trips to a Cubs game and Rainbow Falls Water Park so campers truly have a full day of fun with their friends. If you've always wanted to try activities like scuba diving, rock wall climbing, and kayaking, this is the place for you!

Camp is split into two four-week sessions. Both sessions offer similar experiences. Campers may either bring a lunch from home or order a lunch from Kiddos Catering (see page 3). Every Thursday, camp staff provides a cookout lunch.

Who: Entering Grades 6-8
Where: Watts Center
Camp Director: Scott Etchell
Maximum: 75 (Full & PM)
