

Counselor-in-Training

Counselor-In-Training Program for Grades 7-10

The Counselor-In-Training (CIT) program is for youth who want to learn to work with children and develop leadership skills. CITs are assigned to one of the Glencoe Park District summer camp programs after undergoing mandatory training. CITs help implement activities and projects under the supervision of the CIT director and camp directors. They attend 3-4 CIT field trips throughout the eight weeks of camp and accompany their assigned groups on camp outings. Registration is separated by full- and half-day programs. Please note that half-day camp days and times vary depending on placement.

Three CIT options are available. Option I is the full eight-week season. Option II is the first four weeks only. Option III is the second four weeks only. Those who plan on registering must commit to the entire option. One of the camp goals is teaching responsibility. If summer plans do not allow for attending the entire option, please do not register.

For full-day options, we provide refrigeration for lunches when on site, and are now offering a lunch service through Kiddos Catering, Inc. Lunch service will not be available for some field trips. See page 3 for ordering information.

Please note: CITs are required to attend CIT trips and training days. CITs are not with their camp group on these days.

Maximum: Full Day: 7 / Half Day: 3

***Note:** Should the Glencoe School District 35 school year be extended for make-up days due to inclement weather, camp will begin on the day after the last day of school.
