BUS, VAN COMPANIES

Company shall obtain insurance of the types and in the amounts listed below.

A. Commercial General and Umbrella Liability Insurance

Company shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than \$2,000,000 each occurrence. If such CGL insurance contains a general aggregate limit, it shall apply separately to this project/location.

CGL insurance shall be written on Insurance Services Office (ISO) occurrence form CG 00 01 10 93, or a substitute form providing equivalent coverage, and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal injury and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

District shall be included as an insured under the CGL, using ISO additional insured endorsement CG 20 26 or a substitute providing equivalent coverage, and under the commercial umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance afforded to District. Any insurance or self-insurance maintained by the District shall be excess of the Company's insurance and shall not contribute with it.

B. Business Auto and Umbrella Liability Insurance

Company shall maintain business auto liability and, if necessary, commercial umbrella liability insurance with a limit of not less than \$5,000,000 each accident. Such insurance shall cover liability arising out of any auto including owned, hired and non-owned autos.

Business auto insurance shall be written on Insurance Services Office (ISO) form CA 00 01, CA 00 05, CA 00 12, CA 00 20, or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage equivalent to that provided in the 1990 and later editions of CA 00 01.

C. Workers Compensation Insurance

Company shall maintain workers compensation and employers liability insurance. The commercial umbrella and/or employers liability limits shall not be less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease.

If District has not been included as an insured under the CGL using ISO additional insured endorsement CG 20 26 under the Commercial General and Umbrella Liability Insurance required in this Contract, the Company waives all rights against District and its officers, officials, employees, volunteers and agents for recovery of damages arising out of or incident to the

Company's work. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the District for all activities of the Company, its employees, agents and subcontractors.

D. General Insurance Provisions

1. Evidence of Insurance

Prior to beginning work, Company shall furnish District with a certificate(s) of insurance and applicable policy endorsement(s), executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above.

All certificates shall provide for 30 days' written notice to District prior to the cancellation or material change of any insurance referred to therein. Written notice to District shall be by certified mail, return receipt requested.

Failure of District to demand such certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of District to identify a deficiency from evidence that is provided shall not be construed as a waiver of Company's obligation to maintain such insurance.

District shall have the right, but not the obligation, of prohibiting Company or any subcontractor from entering the project site until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by District.

Failure to maintain the required insurance may result in termination of this Contract at District's option.

Company shall provide certified copies of all insurance policies required above within 10 days of District's written request for said copies.

2. Acceptability of Insurers

For insurance companies which obtain a rating from A.M. Best, that rating should be no less than A VII using the most recent edition of the A.M. Best's Key Rating Guide. If the Best's rating is less than A VII or a Best's rating is not obtained, the District has the right to reject insurance written by an insurer it deems unacceptable.

3. Cross-Liability Coverage

If Company's liability policies do not contain the standard ISO separation of insured's provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.

4. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to the District. At the option of the District, the Company may be asked to eliminate such deductibles or self-insured retentions as

respects the District, its officers, officials, employees, volunteers and agents or required to procure a bond guaranteeing payment of losses and other related costs including but not limited to investigations, claim administration and defense expenses.

5. Subcontractors

Company shall cause each subcontractor employed by Company to purchase and maintain insurance of the type specified above. When requested by the District, Company shall furnish copies of certificates of insurance evidencing coverage for each subcontractor.

E. Indemnification

To the fullest extent permitted by law, the Company shall indemnify and hold harmless the District and its officers, officials, employees, volunteers and agents from and against all claims, damages, losses and expenses, including but not limited to legal fees (attorney's and paralegals' fees and court costs), arising out of or resulting from the performance of the Company's work, provided that any such claim, damage, loss or expense (i) is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property, including the loss of use resulting there from and (ii) is caused in whole or in part by any wrongful or negligent act or omission of the Company, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph. Company shall similarly protect, indemnify and hold and save harmless the Owner, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses including but not limited to legal fees, incurred by reason of Company's breach of any of its obligations under, or Company's default of, any provision of the Contract.
