Glencoe Park District, Rotary Club of Glencoe, and the Village of Glencoe are committed to conducting the Fourth of July Fun Run in a safe manner and hold the safety of participants in high regard. Glencoe Park District, Rotary Club of Glencoe and the Village of Glencoe continually strive to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this activity must recognize that there is an inherent risk of injury when choosing to participate in running/walking events.

You are solely responsible for determining if you or your minor child/ward is physically fit and/or adequately skilled for road race participation. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity. You are also solely responsible for selecting and wearing personal protective equipment.

Please recognize that roadways are maintained and intended for motor vehicle use and not pedestrian use. Therefore, surface irregularities and other hazards that do not pose safety risks to motor vehicles, may pose risks to joggers and walkers. Prior to the event, all participants should familiarize themselves with the event route, paying close attention to surface irregularities and other potential dangers. Participants should also familiarize themselves with traffic patterns, check points, and all first aid and water stations. *Most important, remember that this is a voluntary recreational activity. Never compromise your safety in the name of competition.*

WARNING OF RISK

Running and power walking are intended to challenge and engage the physical, mental, and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including death. Understandably, not all hazards and dangers can be foreseen. The very nature of road racing is hazardous and risky, including but not limited to overexertion, dehydration, slip and falls, collisions with other participants, the effects of weather, dangerous conditions of the road, being struck by a vehicle or bicycle, lack of good physical conditioning, poor training technique, and all other circumstances inherent in running/walking events. In this regard, it must be recognized that it is impossible for the (Park District/SRA) to guarantee absolute safety.
